Union Survey: Your Thoughts on Returning to HUD Offices

Dear Bargaining Unit Employees,

HUD employees, like others around the country, are anticipating returning to offices that suddenly closed last year due to the ongoing Covid-19 pandemic. Council 222 is preparing to bargain with HUD management over the terms and conditions under which employees will return to HUD offices. Ensuring your well-being is our primary goal. Before bargaining begins, we want to know your thoughts, concerns, and worries. Please use the link below to complete a survey to tell the Union what is important to you.

<https://forms.microsoft.com/g/CzWxu2QHq9>

This survey should take you about 10 to 15 minutes to complete. It is confidential and anonymous. We don't collect your name unless you want to include it at the end. Your response will go to a non-HUD account.

We need your response immediately, if possible, but no later than July 29, 2021.

Council 222 will continue to provide you the best representation to ensure you and your families' good health and safety as the COVID-19 pandemic continues.
