### Union Members Hear It First! Good News on 6:00 AM Arrival and Student Loan Repayment Programs

#### Dear Union Member:

You're the first to receive the newly signed supplement for 6:00 A.M. Arrival and Memorandum of Understanding for the Student Loan Repayment Program.

**The good news for 6:00 A.M. Arrival** - The newly negotiated Supplement (67A) eliminates Paragraph 6 of the previously negotiated supplement (67). You now have the ability to grieve management's decision to grant or deny your request to participate in 6:00 A.M. Arrival Time!

**The good news for Student Loan Repayment** - HUD Interns are now eligible to participate in the program!

You can view all supplements and MOUs on our website (<http://afgecouncil222.com>). The two new documents will be loaded to the site later today.
