Updates to Trusted Workforce

What You Need to Know

To: All HUD Employees and Contractors,

We are writing to inform you about significant changes and enhancements to HUD's security procedures under the Trusted Workforce initiative.

What's changing?

While most upgrades will occur behind the scenes, there are specific changes that might affect you directly.

- **Position descriptions and designations** will be updated to ensure appropriate security levels for each role.
- One process update is that under Trusted Workforce, **you will no longer undergo reinvestigations every five years; instead, various checks will be conducted persistently and continuously.**
- As part of these security measures, employees' and contractors' **arrest records will be run and reviewed by the Personnel Security Division.** This policy applies to all personnel.
