OCHCO Request for BUE Personnel Data

Dear AFGE National Council 222 Members,

On March 25, 2025, Bargaining Unit Employees (BUE) received a notification to review their personnel data for accuracy.

The purpose of the request is to ensure that the information HUD will utilize to comply with the Reduction in Force (RIF), is correct when determining which HUD employees will retain a position with the Agency, and which employees will be subject to lay off.

The information being requested is consistent with [Article 33.08](#) of the Collective Bargaining Agreement (CBA). HUD Council 222 (Council), therefore recommends that BUEs comply with the review and confirmation of the validity of information on file.

The Council does have the following concerns: (1) the origin of the request, (2) where the information will be housed, and finally, (3) the process for the correction of any discrepancies found. Consequently, the Council will be forwarding correspondence to the Office of the Chief Human Capital Officer (OCHCO) with a request for a response by close of business, March 27, 2025, or an extension of the March 28, 2025, deadline for compliance with the request.

HUD Council 222 continues to fight on behalf of our valued Federal Employees.
